EXPECTATIONS FOR YOUR DANCER...

Attendance:

Children who attend class regularly and respect themselves and their peers will learn valuable life lessons along with advancing in their dancing ability. It is important to all teachers, that the studio creates a fun atmosphere where the student feels safe.

Studio Space:

Please be respectful to items that aren't your own as well as cleaning up your area after dance class. Please do not wear your street shoes on the dance floor.

Absence and Make-Up Class:

If a student misses class it is their responsibility to make-up the lesson. They are able to attend other classes to make-up their missed lesson but it must be approved by the instructor. They can't make-up classes during the months of April and May.

Dress Code:

Wearing proper attire and shoes for dance class is important. Being able to see body alignment makes it easier for the dance instructor to make corrections. For any class; females should have their hair pulled off their face and wear minimal jewelry. For any class, males are expected to wear dance pants or shorts with a t-shirt and correct dance shoes.
